Bribie Island State High School is an independent public school servicing Bribie Island and surrounds. We are a progressive and socially responsible school maximising learning outcomes and preparing young people to become active citizens in a global society. Our program provides a smaller, boutique style experience. Parents choose this school because of the approach to educate the whole child, the sense of community, the high standards set by the school and the recognised safety of the area.

We achieve our purpose by providing quality curricular and extracurricular programs, through a highly qualified workforce, within a safe, supportive and productive learning environment, ensuring every student achieves to the best of their ability.

Caloundra State High School

Study Abroad High School High School

Address: **88 Queen Street, Caloundra QLD**

Website: **caloundrashs.eq.edu.au**

Phone: **+61 7 5436 8444**

Year established: **1963**

Number of students: **1300**

Caloundra is where the Sunshine Coast begins! We are located a short 1 hour train ride from the Brisbane CBD. Experience uncrowded beaches with view of the heritage-listed Glass House Mountains, the sparkling waters of the Pumicestone Passage, exquisite cafes and restaurants and a breathtaking coastal headland with hidden coves and sandy beaches.

You can see the ocean from our school and access adjacent natural bushland.

We have a targeted curriculum for each of our junior, middle and senior secondary schools.

Our broad curriculum has options to suit your interests, and we provide direct pathways to employment, training or further education after Year 12.

Our extracurricular activities are extensive, exposing our students to a range of experiences tailored to their individual needs.

We value diversity and, through our international student program, all of our students have opportunities to expand their horizons, meet new people and experience everything the beautiful Sunshine Coast has to offer.

Chancellor State College

Study Abroad High School

Primary School

High School

Address: **164 Sippy Downs Drive, Sippy Downs QLD**Website: **chancellorsc.eq.edu.au**Phone: **+61 7 5453 3222**Year established: **1997**Number of students: **3124**

Chancellor State College is a vibrant community of students from over 50 different countries of birth and speaking over 40 languages.

Students perform above the state average in all schooling domains and our modern campus is part of the Education Precinct of the University of the Sunshine Coast. We have modern facilities including a 2000-seat sports stadium, professional athletics track, Olympic-size swimming pool, and our Performing Arts Complex is state-of-the-art. Robotics programs produce Australian and world champions and our robotics labs are best practice.

Our new on-campus partnership with ELICOS provider Union Institute of Language (UIL) means we offer a seamless graduate student pathway from Secondary School Preparation Program to College life and then university.

Camp visits include K'Gari (Fraser Island) and The Great Barrier Reef.

Special programs

- › Chancellor State College is partnered with UIL and is the only school on the Sunshine Coast to offer High School Preparation (HSP). The UIL Secondary School Preparation Program (SSPP) prepares students to enter junior or senior secondary school at the students' choice of registered EQI Schools
- › Australian and World Championship Robotics programs
- › Marine Science and Aquatics programs including boating, marine camp and snorkelling on Lady Elliot Island (Great Barrier Reef)
- › Hospitality and Manufacturing studies providing students with industry experience using industry standard workshops and commercial kitchens
- › Athletics and gym coaching before and after school, including track and field
- › Excellence programs – football and touch football
- › Academy Programs – STEM, Sports and Creative Industries
- › Diploma of Business and numerous Certificate III courses

Extracurricular activities

- › Free surfing lesson as a welcome gift
- › World Championship Robotics Club. Our current robotics teams include international students and in 2024 again travelled to the USA to compete in the world championships. They are the current Australian champions, Asia Pacific champions and are now ranked in the top five in the world
- › Instrumental music program, ensembles, concert bands, orchestra and stage band
- › Specialist track and field coaches offer multidisciplinary programs for elite athletes utilising world-class facilities

School facilities

- › Indoor sports stadium
- › Purpose-built robotics labs
- › Performing arts centre
- › Café
- › Music laboratory with recording facilities
- › Green room for film and television
- › Gymnasium
- › Olympic-sized swimming pool
- › Five marine studies boats
- › Integrated HSP English Language School

Tertiary pathways

- › University of the Sunshine Coast (USC) – Headstart
- › Undergraduate Certificate (Partnership with universities)
- › Entry to other Queensland universities
- › TAFE Queensland

Languages

- › Japanese
- › Others via Distance Education in our supervised international classroom including Chinese, Italian, Spanish, French and German

Parents and students at Sunshine Beach State School often comment on our positive, fun and supportive learning environment.

We have been an accredited Glasser Quality School since 2003, and we use the principles of Dr William Glasser's choice theory, reality therapy and lead management as our philosophy.

Because of this unifying approach, our learning environment will satisfy your child's needs.

We create positive relationships based on trust and respect, and our staff, students, families and community strive together for quality in all that we do.

Since 1982, we have created a successful school with a unique, caring culture where your child will belong and feel safe and comfortable.

Every year we welcome students from many countries including Brazil, Japan, China and South Korea.
