Number of students: **960**

Balmoral State High School is a selected Aerospace Gateway school that accepts international students. Students have access to partnerships with Aviation Australia and Boeing Australia that offer real opportunities and industry experience with scientists and engineers on real projects.

Located in a leafy pocket of Brisbane, only 5 km from the Brisbane city centre, Balmoral SHS provides strong community engagement and values. The local community is characterised by distinctive Queensland architecture, beautiful city views and river access. There are many community activities available including hockey, football, rugby, netball, water polo, sailing, and cultural and intellectual pursuits.

At Balmoral, each student is treated as an individual which ensures personal attention for every student – academically, culturally and socially. The International Student Program is a distinctive feature of our school. We value diversity and believe that as citizens of a global community, our school is enriched by the cultural interchange offered by this program.

## Special programs

- › Aerospace (Senior subject) and Aviation (Junior Subject)
- › Football (Soccer) Academy
- › Horizons Academy (critical thinking) Year 7
- › Music Academy
- › Netball Academy
- › Visual arts, dance (Years 7–10), drama, media studies and music

# Brisbane South State Secondary College

International Baccalaureate Study Abroad High School High School

Address: **179 Annerley Road, Dutton Park QLD**

Website: **brisbanesouthssc.eq.edu.au**

Phone: **+61 7 3013 5777**

Year established: **2021**

Number of students: **1250**

At Brisbane South State Secondary College, we are setting the new standard for education, readying curious minds and open hearts to realise their desired future and inspire positive change.

**Student Success Statement:** A successful learner at Brisbane South State Secondary College knows themselves and is a lifelong learner. They are confident, health-focused, self-directed global thinkers who are passionate about their desired future.

Creating an environment built with technology, creativity and flexibility in mind, we are reshaping the traditional classroom setting to encourage independent thought, with our unique curriculum supported by the best and most respected research facilities and institutions in Australia.

Brisbane South SSC believes in an inclusive education and one that offers both breadth and depth. Our students have rich opportunities across the Arts, through our nationally-recognised Biomedical Science Academy and academic rigour of the International Baccalaureate Diploma and Career-Related Programmes.

## Special programs

### International Baccalaureate

Our Diploma Programme fosters the desire to learn and prepare our students for a life of excellence. Our College also offers the unique Career-Related Programme (IBCP), one of only 5 schools in Australia, which allows students to combine their academic and personal interests, with both school-based subjects and a work ready qualification, as well as a balanced approach to learning with students creating a 'portfolio of professionalism' to enter Year 13.

### Learner-preneur

Our unique Learner-preneur Program has been collaboratively created by our staff to engage students as genuine learning partners, and empower them to be agentic learners so that they can create their desired future. As Learner-preneurs, students undertake inquiries during dedicated time each day to discover their passions, pursuits and purposes through exploring six global competencies. Students search and discover their individual learning and wellbeing successes.

### Biomedical Science Academy

In collaboration with The University of Queensland (UQ), our Biomedical Science Academy provides tailored programs in science, technology, engineering, mathematics with a medical lens STEM(M). This focus on Biomedical Science and our partnerships within Brisbane's knowledge corridor means our students interacts with research, business and industry, such as Hospitals, TRI, Ecosciences and more.

### Australian Football League (AFL) Academy

Delivered in partnership with AFL Queensland and the Brisbane Lions, our AFL Academy gives students the exclusive opportunity to be exposed to high-quality training and regular participation in State of Excellence AFL Queensland competitions, alongside their academic studies.

## Extracurricular activities

- › Creative Generation—celebrating the performing arts industry across Queensland
- › Instrumental Music lessons, ensembles and orchestras in brass, strings, percussion
- › School of rock—music education
- › SPARQ-ed research opportunities at UQ
- › Philosothon
- › Interschool sport Gala Days
- › Statewide debating competitions
- › FUSE Cup – Esports competitions
- › International Study tours to UK, China and Spain

## School facilities

Brisbane South SSC has won numerous architectural, learning design and teaching and learning awards for its innovative learning spaces.

- › Individual and group learning areas including quiet spaces for individuals and collaborative study areas
- › Access to the latest equipment and connectivity of devices throughout the school with mobile learning on school premises
- › Outstanding Performance spaces and sporting facilities
- › A learning street, providing students with a holistic support structure and wellbeing hub that provides students with access to counsellors, psychologists, GP, guidance officers, social worker and Chaplain
- › International Student Services Centre
- › Resource Centre with ICT support, library resources and flexible student workspaces

## Tertiary pathways

- › Partnership with UQ and other tertiary Institutions including TAFE Qld

Burpengary State Secondary College is located on a large modern campus approximately 20 minutes north of Brisbane, close to beautiful Moreton Bay, Freshwater National Park and the brand new University of the Sunshine Coast Petrie Campus.

We value strong community relationships and support a culture of high expectations and excellent student outcomes. The school's vision, 'Innovative Learning in a Global Community', is the philosophy behind a comprehensive curriculum that enables you to choose a pathway based on your talents and preferences, in addition to demonstrated success and a strong focus on Science, Technology and Engineering.

Unlike other larger schools in South East Queensland, our ISP department offers a smaller unique program. This allows us to provide each student with individual curriculum support and dedicated homestay guidance, care and wellbeing.

Corinda State High School is a co-educational independent public school in Brisbane, nestled in a beautiful, leafy setting in the western suburbs, just 20 minutes by train from the city. We strive to provide boundless opportunities for fearless learning, empowering students to shape their own futures. Our goal is to inspire students to achieve personal excellence in academics, arts, sports and community service to prepare them for life beyond graduation.

At Corinda, we live by our vision, "Exceed Your Expectations", fostering a thriving culture supported by a unified collective of staff, parents, students and community partnerships. Each student is nurtured by a Year Level Deputy, Dean of Students and Home Group Teacher, along with assistance from their allocated House Group. Additionally, our International Department and EAL/D teachers help students navigate their new environment and learning culture.

We offer a wide range of subjects spanning diverse fields, including Agricultural Science, Culinary, Humanities and STEM. Our Arts department excels in its disciplines, earning national acclaim in Dance, Instrumental Music and Visual Arts. Renowned for our sporting prowess, our students can join teams including Football, Tennis, Badminton, Volleyball and Basketball, with opportunities to compete in regular competitions at regional, state and national levels.

Townsville

Queensland Academies

At Earnshaw State College, we are small, specialised and community based. We provide Prep to Year 12 education in Banyo, a vibrant and growing district north of Brisbane.

Our college is just a five-minute walk from a train station and a 20-minute train journey to the centre of Brisbane.

Nudgee Beach and one of Brisbane's most significant Aboriginal sites are a short walk away, while the wonderful beaches of the Sunshine Coast and Gold Coast are less than one hour by car.

We provide many opportunities for you to engage in academic, cultural and sporting pursuits, and our college staff build strong relationships with students to develop a thorough understanding of you and your aspirations.

At Earnshaw State College, we encourage you to be engaged and motivated to learn within a positive, supportive college culture that achieves results and builds your confidence and skills for the future.

# Jindalee State School

Primary School

Address: **114 Burrendah Road, Jindalee QLD**

Website: **jindaleess.eq.edu.au**

Phone: **+61 7 3725 5777**

Year established: **1966**

Number of students: **600**

Jindalee State School is a co-educational Queensland state government Prep to Year 6 school, with an enrolment of 600 students. Our students are predominantly from the Centenary suburbs and nearby areas with fee-paying students also welcome to enrol. At Jindalee State School, we genuinely engage parents as full partners in their children's education.

Our school motto is 'Onwards in Honour'. This is enacted through our belief that all students, of all abilities, are entitled to a high-quality education that engages, challenges and extends. By providing an optimal inclusive learning environment, we shape critical, curious and creative thinkers.

Our expert teaching team rigorously teaches the Australian Curriculum, and we are proud of our high academic performance. Additionally, we teach and model social and emotional skills, values and expectations for behaviour, to support student wellbeing and engagement.

We are regarded as a leading school in eLearning and have a successful Bring Your Own Device (BYOD) program from Grades 2–6. We are committed to using technology and devices to enhance and leverage innovative and inclusive practices to engage all learners. A range of extracurricular activities, such as Instrumental music – String & Band, Choir, Marimba, Drumming, Coding, Chess, Student Council, Senior Leadership, Technology Student Crew Club, academic competitions and extensive curricular sporting programs are offered to our students to enhance their experience at Jindalee State School.

# Kenmore State School

Primary School

Kenmore State School is in western Brisbane, close to The University of Queensland, Lone Pine Koala Sanctuary and public transport.

For 120 years, we have provided children with high-quality education. We are proud of our current academic results, which are above the state average, and continue to celebrate our champion sports teams.

Our goal is success for every student through individual teaching and communication with parents.

Accelerate your child's English language learning with our dedicated programs.

Extension programs include: digital technology, mathematics, music, German (Years 5–6), arts and leadership.

We provide before and after school care during terms and vacation care in the holidays, offering your child many activity choices, including gardening, art and crafts, sport, games and cooking.
